“ My best memory is when my dad helped me join the U.S. Navy. Thank you dad for all the love and support you have given me all my life, and for raising me as your own. God has a special place in his house just for you. I love you. Rest in peace.

“ Armando was a good friend of my Mom and Dad, Godfather to my Sister, Sharon, and a great welder! I remember asking him to repair a metal wheelbarrow that belonged to my Mom. She had passed away and I wanted to keep it as a reminder of her and her love for gardening. He was so gracious and fixed it for me. I still have it. Thank you Armando and God bless you.
