“ Grandma Betty was a beautiful and genuine soul. She was always so happy and greeted you with open arms! I have lots of memories from my younger years spending time at her house. I remember her always coming home from work on a Friday night with chicken enchilada casserole and rice from Don Carlos. And when you had a sweet tooth you always knew where to look. Grandma Betty was always stocked up on the little cinnamon rolls and chocolate chip cookies. Thank you for being a wonderful person to me I will forever keep you in my heart and cherish my memories of you grandma Betty.

“ I always Remember Twinkie’s good Heart she helped my mom out when we moved to Colorado unconditionally.  
Her Aunt pat and her were extremely close.  
My Mom loved her like a sister.  
They had a lifetime of beautiful memories.  
We will always love and miss  
Her.  
Forever in our hearts
