“ On behalf of myself and our 377 members of DAV San Isabel Chapter 2, please accept our sincerest condolences. When I learned of cleophas passing I was in the process of trying to locate and. Intact him. I did have address and phone number, but was unsuccessful. Now it all make sense. Nevertheless the reason for trying to contact him was to notify him that we wanted him to attend our state convention to receive his 50 year DAV membership pin. We will try to get it to the family any information would help.
