“ I've known Derek since he was a baby, this young man had a very big heart and allot of love. He really enjoyed watching tv with the family, and having little talks. I love you Derek I will never forget our little talks. May you rest in peace and fly with the Angels. Your at peace now.

“ I'm truly sorry for your loss... I just met him last year through a mutual friend but it was apparent right away that he had a great personality and a big heart! I enjoyed listening and watching him sing one of his favorite songs, Diablo by Mac Miller... He would just get so into it and be smiling the whole time which made it hard not to have a good time myself and smile and laugh right along with him! He'll be deeply missed!!!
