“ Bud was a kind, caring, and wonderful person! Bud spoke often about his family, children, and babies(Rottweilers). He loved and spoiled his fur babies even when they were in trouble! He was a little stubborn at times and was strong on his beliefs! He was a proud Marine and was proud to serve his country! I will cherish the memories I have of you of the time we spent together! My condolences to the Raider family. Rest In Peace Bud!

“ My sincerest sympathies to the Rader Family. As a teen, I spent a lot of time in the Rader household and Bud and I were very close friends. I realize that he became thick skinned and hardened as he aged but he was one of the kindest people I knew back then. His heart was huge and he was so sensitive to the feelings of others. He was a real gentleman back then and I am grateful that these are my greatest memories of him. He was my pal and I'm proud to say so.
