“ Greg was in 6th grade when I began my teaching career and I had the joy of him being in my history class when I got hired at Central his freshman year there. He is a part of my very special first group of students I got to know and love very much, very much embedded in my heart. Great group of young people who grew to be amazing adults. I was able to reconnect with Greg when his own kids started at and attended Central. There were Greg and Jaime, at all the activities and events, supporting their kids. I know health issues plagued Greg, but he was so strong and courageous and he inspired me so much to keep going myself. And he was always polite, respectful and so gentlemanly toward me. And what a beautiful sense of humor and shining smile. Greg, you shall be so missed, but I will say that anyone who may have ever gotten to know you well or just crossed paths with you, was changed for the better and blessed by you. To his wife, children, extended family and friends, I pray God's presence among you to help you to grow stronger from all he gave to you. You are his legacy and you were his life, his focus. May you carry on all of the hopes and dreams he had for you. Rest in eternal peace and wholeness, Greg. Heaven is a real and joyous place.

“ I went to central high school with Greg. And decades later had the pleasure to meet his wife Jaime. We would all be supporting our daughters during soccer and basketball games. I'm sorry and saddened to hear about Greg. He was way to young to have left this world. My heart breaks for you Jaime and your kids, especially Gabby. You are a awesome wife. God bless all of Greg's family. Please accept our deepest condolences and prayers for you all. Especially Greg. R.I.P
