“ You never know what you have till its gone! That's the way I feel about my niece Jordyn, when will I learn? I have felt that, with each and every loss! Jordyn I hope you know how special you are! You have deep love and you are missed! You never wanted to put anyone out just like your dad and grandma! Your humor would make most people laugh and your creativity would touch people's hearts! I still remember your joy especially when you would babysit Dea, your second cousin! Jordyn thank you for your love and my apologies for my insufficient love, I Do Love You! RIP Beautiful Niece!
