“ Issac we had 10 fun full years of marriage together I wouldn't change it for the world. you taught me allot about the streets and I taught you alot about the homely life .lol and you raised my son like he was yours and God knows I thank you every day for that. I'm gonna remember Runyon lake,matellica,your guitar playing,and make my cream of chicken enchilada plate over the top! You made a happy plate each time..but all these memories are all wonderful but nothing as good as if you standing right in front of me telling me how much you love me.thabk you Isaac from our son Dario and myself Tara
