“ I am so sad to have to say goodbye to my good friend Janet (Mama) Rodriguez. She had a huge heart and was always there for me when I needed anything. I will miss her for the rest of my life. I know she's with Barb and Ben now. She was a Mama to me too, always there to pick me up when I needed someone. I moved away from Pueblo a couple of years ago and I wasn't able to be there for the end of her life. I will always be sad that I didn't get to see her one more time. She had a very hard life and I have so much respect for her and the way she always carried on no matter how hard times got. I love you Mama. I will never forget you. RIP.

“ Dear Miss Janet, (mamma), I'll never forget how your eyes lit up whenever id come over for a visit. We used to giggle at each other about how you wanted a ride on the motorcycle. And I would've done it to. I will always admire your passion for your family and the love you had for each and every one of them. Thank you for being so kind to me and my family. Your such an amazing woman and I will never forget you. With never ending love and respect.
