“ John is my brother inlaw & was such a great husband to my sister & a wonderful father to my niece & nephew. He helped many people over the years through his career in mental health & case management. I will miss his jokes and his peaceful demeanor. I will always look back on our family vacations with great joy & we'll keep the memories in our hearts forever

“ John, or Lefebs as I knew him, was an amazing man. He helped me and many others over the course of his life. I'd often wondered how he was and very sad to see this.

“ My heart goes out to amber, her kids and the rest of the family and friends. I was Noah’s prekindergarten teacher and amber was my daughter, Ella’s kindergarten teacher. I only knew John a little bit but I did know that family meant everything to him. Noah would tell me so much about his dad being the coolest person to him.
