“ Joe was always loving and kind to my family. He was very proud of his children and grandchildren. I adored him, and Peggy! I appreciated their love, friendship, and welcoming us into their family. Joe loved sports, and he would often watch my kids participate in their events at school, when they were younger. We will deeply miss him, as we do Peggy. They will always be in our hearts.

“ My old time friend had many great and fun times with you seems like we were always together and your parents were the most wonderful people
I remember your dad after a night of partying he wouldn't let me drive home
"Moises quedate aqui" he would say to me
I'll never forget them or you
