Comments

“ To the Sisneros Family, As I type this you all are at the Rosary preparing to say your final good-byes. I know that Marian was a wonderful person and left fond memories to be treasured and used to bring comfort. My favorite memory of her comes from our younger years as we all got ready to go out on a Saturday night in Fort Garland. She then found love with Ray and the rest became history! I ask that God comfort you during this time of transition. May you find comfort in remembering the beauty of this gracias lady.
