“ To the beloved family of Nathan,

I was truly sad to hear the news of Nathan's passing. I can still remember when he came in to my office with his Dad to open his Savings account. Such a nice young man...then when he was going to become a Daddy seeing the joy he shared. He was one of my favorite young members; It was always so nice to see him; didn't see him as often lately because he mostly did his transactions in drive-up. His passing is a heart breaker...He will truly be missed! You're all in my prayers and thoughts ...may all the beautiful memories you shared with him help bring you comfort. RIP dear Nathan!!!!

With sadness.
