“ Phil was an amazing person. I loved sitting at the bar in the mornings before opening. We would drink coffee and talk about everything and anything. He adored my daughter and wouldn't hesitate to give her a bag of chips and a glass of soda every time he saw her. You will be greatly missed.

“ Phil always loved my son Logan and always gave him IBC root beer, to this day Logan always brings up how fun it was to hang out at the White Horse with Phil. He followed him everywhere. Phil was like a grandpa to him growing up. I'll never forget how kind and happy Phil was. Love him always Michelle Raub(mikki)
