

Robert and Christine White

June 26, 2021

They met at a college party. He immediately noticed the beautiful young lady sitting backwards on the couch; she noticed the handsome young man who used paperclips for cuff links. While he did get her phone number, she turned him down 3 times before agreeing to go on a date. They were each other's first and only loves. After celebrating 62 years of marriage, Robert and Christine White both passed away within days of each other. Bob was a mechanical engineer, loved playing Texas- Hold'Em, was a Master Gardener, past Grand knight of the Knights of Columbus, and had been a volunteer firefighter. With a profound love of country, Bob served as an ROTC Officer in the signal corps and the Army Reserves. Chris loved her family, the great outdoors, was an avid swimmer, skater, and an accomplished artist in quilting, needlework, and an amazing cook. She held a variety of positions from office manager to rural route carrier, and her favorite as a secret shopper. Chris served as a Eucharistic Minister, past president of the Ladies Guild and a volunteer at the food pantry for almost 20 years. Both enjoyed traveling the world together. They were predeceased by both maternal and paternal parents and their sons. They are survived by their daughters, their siblings, their grandchildren, extended family and many friends who adored them. They will be missed by all who knew and loved them. It has been a joy, an honor, and a privilege to be your daughter and friend. We share this journey that has no ending. “ You gave us the amazing gift of your love. May God welcome you in his eternal home with all your beloved family and friends who have gone before you. Truly it has been a joy to be your daughter. And while I miss you beyond measure, I know we will be together at the end of this journey. Much love always,

Cynthia White
