*“ It was in tragedy that I met Aaron. That tragedy resulted in my wonderful friendship with you Ruth, and many wonderful memories of Aaron and your family. Your love and strength has sustained you and those around you in many difficult times. Your love and friendship has comforted me in some of my darkest moments. If I could do but one thing it would be to take all of your pain and carry it for you. If I could have but one ability it would be to fill the emptiness and heal your heart. If I could give you one gift it would be peace. As inadequate as it feels to me the only thing I can do is to cry with you, the only ability I have is to pray with you the only gift I have to offer is my love for you my precious friend.*

*I'm at a loss for words, but yet I have so many things to say about Aaron. How can I even begin to express how I feel? I know Aaron via Jorge's restaurant as a great server. Aaron created the best experience that no other server could accomplish. I am a regular customer of Jorge's. As a regular customer over the years I have got to know Aaron, which created a very special bond. Aaron was like family to me. Furthermore, I also know Aaron from Southside fitness. Watching Aaron work out gave me this incentive to push myself harder and give it my all during my workout's. Lastly, Aaron always pushed the limits to be the best at anything & everything. God has called upon Aaron to heaven. As god has witnessed Aaron's kind heart along with his abilities to excel with his positive outlook on life here on earth. God has called a beautiful person to his paradise in heaven. I will miss Aaron's presence here on earth. Jorge's will never be the same without my dear friend.*

*Sending prayers to all of Aaron's family and friends. My dear friend Aaron rest in peace.*

*To Aaron's family, in your time of grief and pain please know that your son, brother, and friend is asleep in Christ and no longer in pain. I and my family came to know him through Jorge's restaurant and we came to appreciate his hard work and sweet kindness each and every time we were there. He was a beautiful person in every sense of the word and this world is a bit grimmer in the wake of his death. May you know that Aaron also will always hold a place in our hearts and we will pray for you all.*

*To Ruthie, Janell and your entire beautiful familia*

*I am crushed and heartbroken thinking about your grief and your loss. There really are no words.*

*It is wonderful reading the fond lovely memories of Aaron. I know that he faced too many unfair and undeserved situations in his short life. Yet I am thankful that his mother, his wife and his family are so strong and so loving. It will be hard, hard to keep on going. Yet you will. You will hold on to your beloved beautiful hijo and you will still continue, as you always have, working to make the world a better place.*
