“ One of the last moments I had alone with my grandpa I was driving him home from one of his appointments. He was telling me how happy he was that Lannette and I had found such amazing husbands for us. I told him it's because I grew up watching what an amazing man you are and I knew I wouldn't settle for anything less. That he was the best man I know and I look up to him so much. I'm happy I got to let him know how much he meant to me

“ My uncle Abel was a big part of my life as a child and growing up. He was kind and loving man but could be stern with just a look. I will never forget when I lost my baby, he led me to his lap like a child and held me tightly. It meant more to me than he would ever know. I will miss you my uncle and will always love you. Aunt Virginia, and kids I send my love and pray for comfort for you all.
