“ I remember when my family and I came to Colorado to visit and we decided to go to the library to rent some movies well Adam was the movie carrier and it was the funniest sight ever he walked out this everyone's goods in his hands and he was so confident to not drop any of the 23 movie selections brother sure am going to miss you looks like I will have to carry all the movies next time we get back to Colorado. Ve I can't wait to see the grass and squash Adam planted grow please post a picture of all that green grass when it's at it's best. Love sister Mary
