“ I met Adrian when my Mom was a resident at The Villa's. I walked in my Mom's room one day and Adrian was in the room and my Mom said, This is your brother, I adopted him! I called him my baby brother! My Mom and I loved him, he was kind, help full, happy, and we were Blessed to have him in our lives. After my Mom passed we continued to to stay in touch by texting each other. Adrian will always be in my heart ❤️ His parents did an amazing job in raising Adrian! I miss his Beautiful smile and his big laugh. I truly loved your amazing son and will always cherish Adrian

“ When I heard of your loss it really knocked the wind out of me, but I know your friendship with Samuel was a great one the type of friendship that you don't have to see each other every day and communicate thru text every day but when you guys did see each other it was a smooth transition. And when he called me I couldn't wrap my head you were just at my house. May your family and friends find solace during this and may they feel your presence when need be. Rest easy 🕊️ Thank you for being such a good friend to Samuel. Your memory will live on thru stories and laughter 🕊️
