“ *Sis Agapita with a wonderful woman. I meant her when she
attended our church Bethel Temple. I loved her warm heart which
matched her beautiful smile. She always had a special place in my
heart and it will continue. I think God for the opportunity to have met
such a wonderful lady.*

“Cousin Cathy, Lee & Family we are sorry to hear of your loss. "Those we Love don't go away they walk beside us every day. Unseen, Unheard, but always near. Still Loved, Still missed and very dear. Death leaves a heartache no one can heal, Love leaves a memory no one can steal." We know about these words because we have been where you are now recently with the loss of Priscilla's dad.

Auntie has completed her DASH here on earth and taken her first step into eternity, that cycle of birth, life, death and return to her Creator. May you all find comfort in the word of God during this difficult time. Praying for you today and the days ahead. Please accept our personal condolences at this most difficult time.
