“ *In his career at Holland he worked with passion, integrity and energy. By his death all the people who knew him will miss a highly intelligent, vibrant individual with a rare friendliness and charm of personality. Albert was a genuinely warm and wonderful individual—one we will miss greatly. Our sorrow is lessened only slightly with the comforting thought that we had the privilege to know him.*

*Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road,  
To sweet eternity  
We all have different journeys,  
Different paths along the way,  
We all were meant to learn some things,  
But never mean to stay...  
Our destination is a place,  
Far greater than we know.  
For some the journey's quicker,  
For some the journey's slow.  
And when the journey finally ends,  
We'll make a great step forward,  
And find an everlasting peace,  
As our special reward.*

*Our hearts and prayers are with you at this most difficult time.*

*Sincerely  
Michael W Smith  
Holland LP*
