“ Im sure you made it to Heaven without any trouble especially with your sense of humor and good looks and the ability to talk to anyone who would listen and even those who just stuck their head around the corner to see if it was YOU> ill remember you for the good things you did while we were around to see what we could do in Las Animas and I remember talking to you on the phone a few years ago about flags. you were the same old gentle soul and didn't let too much bother you. Rest in Peace Mr Villa...have a good time in Heaven and we will see you when the times comes. God Bless you. Gerald and Glenda S Carpenter and our lil Puppy Brucie who is a flying spirit and waiting at the Bridge for us as well as our parents and many other relatives.

“ My Dad Joe Montoya worked in the mill with Big Al ... and in 8th grade I was too big to play in the parks and Rec football league so he welcomed me to play on the Holy Family church team he was coaching with a lot of guys from the South side of Pueblo! We had a great team and even though I went to Central, I made alot of friends from South and still are to this day! He worked us hard, but he was always fair! And nobody could beat us R. I. P.
