“ My jito used to call me his 2nd Mom. I was so honored by that. We had a love and bond that only we understood. One of my most recent and fondest memories will be sitting in the hospital with him and watching a marathon of "Home Alone". 1, 2 and 3! We laughed till it hurt, we talked till he couldn't talk anymore and said ok ok UNCLE UNCLE- Auntie I give! No more today! I left at 10pm that night with such a joy in my heart. I will cherish it forever! And I Promise to deliver every message you entrusted me with jito. Love you now and forever. Until we meet again in heaven!
