“ If my friend and brother in law Al was here, he'd probably chuckle at the fact that we'd be making any type fuss over him. And yet he just couldn't take that everyone was so broken and they were hurting so much.

Wherever the spirits that be have Al's soul at this time he's smiling down at my dear Sister Ninfa and the whole family. He's wrapping his arms around them all and holding them, so that they can be comforted.

R.I.P. Fonso Love & Miss you. ❤️🌹
