“ Al was a wonderful Man. He was the custodian on the Unit 69 at the Colorado Mental Health Institute at Pueblo when I was the Team Leader. He kept our unit extremely clean and sanitary. That is important in a hospital setting. Al was always kind and considerate to all staff and as well to all patients on the unit. That is not an easy accomplishment with the hectic setting that we had on the unit. He was loved by all our staff and we nominated and he received CMHIP Employee of the Month. It was well deserved, although he was humble in receiving our and the hospital's recognition. He was great to all of us and I certainly considered him a friend as we often talked about our lives. He is missed but his kindness is a memory that will remain within us. I would like to thank the family of Al for sharing him with us.

Sincerely,
Dave Dehn
