You made it to your golden palace.

“ *I am a great granddaughter of Alice. In 2006, I made my great grandma a Great Great Grandma to my 1st born child, Nevaeh Lisset who now is I imagine in her arms in heaven along with my other 2 children, Nevaeh Hope and Noah Joseph. I remember a fun time throwing back shots and dancing with my great grandma. Boy could she dance circles around me. She came to Wyoming not visit us with my grandma, her oldest born child. I cherish and treasure that visit. She met her great granddaughter for the 1st time and played and danced with her even though her joints hurt... memories I was able to catch in pictures that will forever be kept alive and cherished.*

Mom you will be missed for your silly sense of humor, your unconditional love for your family, grandkids and great-grandkids. It's so hard to believe you're gone life is not the same . But, you suffered and gained heaven with Christ and everlasting life Jn:3:16! God bless you and will always love you!💕🙏!

My sweet little momma, you will surely be missed by your family. You were loved by so many and you gave your love back unconditionally. You lived life to it's fullness. I thank God that he gave you a long life, which is still short when compared to eternity. I know that you are in our Savior's presence, surrounded by his love, and nothing gives me more peace. I love you my dear momma and look forward to seeing you again. Always, your "Sonny Boy."
