“ *Me deepest condolence to the family. I met Alicia when I started working at Anthem in Denver 8 years ago. Anyone who knows her knows she is such a good-hearted person. She helped me alot being a new employee. Her personality was the best, so jovial, and that laugh of hers, so infectious. She always talked about family. There was nothing more important than family to her. She was devastated at the loss of her daddy. She talked about her kids and of course DJ. Eventually she moved back to Pueblo to be with family. May God comfort you all and give you strength through this. RIP beautiful Alicia. You are now singing with your daddy in heaven.*
