“ I worked in the same building as Andy did on Fort Carson for several years, between 2007 to around 2015. He was very fun to converse with and seemed to always have a quick-witted joke at the ready. His playful banter is what I will always remember. RIP Andy.

“ My condolences to all the family and friends. Very saddened to hear of his passing. I had the pleasure of shooting pool against Andy. He was a very good pool player 🕶️. May he R.I.P. 🙏
