

Angel "Angel Baby" Grano Tellez

February 22, 1972 - January 3, 2023

Angel "Angel Baby" Grano Tellez, 50, of Pueblo, passed away on January 3, 2023. She was preceded in death by her son, Joseph Grano; grandparents, Roy & Socorro Lopez and Fred & Eva Grano; cousins, Steven, Joe and David Aragon. She is survived by her wife, Stephanie Tellez; children, LeAnn Grano, Alysha Barela and Krystal Barela; grandchildren, Xander King, Xhaiden Davis, Breydan Armstrong, Alison Armstrong and Ophelia Spurling; mother, Sarah Grano; father, Leroy Grano; siblings, Brian Grano and Carlos Grano; niece Akaysia Grano; numerous aunts, uncles and cousins; extended family and friends. Angel was born in Rockyford Colorado and graduated from Rocky Ford High School. She was always so loving and caring to everyone. If you had asked her for her last penny she would give it to you, and if you didn't, she would find a way to spend it. She loved shopping, watching the Broncos games, going on trips, and spending time with family and friends. She had a smile and laughter that would change the energy of a room in a split second because it was so peaceful and heartwarming. There's no doubt she will be greatly missed but like she always said, "It's not goodbye, it's I'll see you later." Her memory will live on in the hearts of everyone who loved her forever. Memorial Service, 10:00 am, Wednesday, January 18, 2023, Romero Family Funeral Home. Service may be viewed through Live stream on Facebook and YouTube at Romero Family Funeral Home Pueblo.

“ I remember when I met Angel I had just moved to Pueblo from Springs and I was going through a lot my son just went to prison and I was having such a hard time coming to grips with it, But Angel encouraged me that everything would be alright and instead of judging like a lot of people do, she asked for his information and wrote to him for years. She always brought a smile to me. And my son admired her for her compassion. She will be missed by both of us. Even though she was going through her sickness and everything with her son she always reached out to check on me to when I had my stroke. Love you Angel baby Fly High

“ I remember the exact day I heard or found out Angel had cancer. I remember meeting her through her crazy cousin Lex. So since I knew all about treatment and what it felt like to have cancer I'd figure I'd try to help. She was always so loving fun and humble a very pleasant soul to enjoy being around. I did my best to share what I knew about holistic treatment with her. She was so on board. And never doubted a word I said. She will be deeply missed. Gone but never forgotten. Enjoy those beach waves for me until we meet again my beautiful friend ❤️ Natalia 🙏😊🙏
