“ I will always remember Angie as my "second mom" - who was such a big part of our lives all through out elementary school! She was such a good cook and made the best tostados! With love and best regards, Patty Erjavec

“ Angie had been a volunteer for the Commodities for over 20 years. She volunteered at the Care and Share Food Program and she volunteer for over 9 years for SRDA by calling up volunteers for their hours. She was my volunteer caller up to the this month. So I have known Angie for many years; she and Angelo were not my volunteers they were my friends. She was a caring person, a strong willed person and she had a great sense of humor. She was a hugger and she made you always feel important. She was not afraid to tell you if you were doing something wrong or right. She was a sincere, down to earth, wonderful person. She touched the lives of so many people, there are too many to even start counting. I will miss my friend but I know she is with the Lord and probably telling him how to rearrange things.
