“ *With great saddness I send condolences to the famiy of Angie. I am so sorry for the loss of your mother, grandmother, sister, sister-in-law, auntie, godmother,wife, and daughter. She was special to all of you. She was extra-special to God, and now she is at peace and without pain. I remember her daughters especially Patricia and Mayme and Angie and their family. When they were younger our family affectionally referred to their family as the "Maymes". We shared some good times. We love you guys and remember you in prayer.*
