“ It was my honor to have shared many of my nursing years working with Anita at SMC. She was a very skilled nurse and we had many fun times and many times when we wanted to cry but we kept each other safe and our patients safe. Her smile and laugh were infectious and made the life and death times so much easier. She really loved taking care of the babies. God bless you all. Pam Keller

“ I knew Anita from SMC. She worked in the nursery and I worked Post Partum. We had kids around the same age and talked about them a lot. My best memory of Anita was at Parkview's Pediatric Unit. My three year old granddaughter, Abbie was admitted with Pneumonia and was very dehydrated. Several people in the ER attempted to start her IV with no success. Upon being admitted Anita took her and my son in a room and soon we had an IV running. Abbie felt better in just a few hours. I was so thankful. I am sure there are many more stories like mine. I am very sorry for your loss.
