“ It was heart breaking to hear that anthony has passed. I knew him very well as we were Police Officers with Monte Vista Police Department. Anthony was an exceptional Officer, as well as a friend. He taught me so much about becoming a Police Officer. He will be missed, and he has completed the end of shift. God bless you Buddie

“ Please accept my most sincere condolences on Anthony's passing. I had the privilege and honor of working with Anthony when he was assigned to the San Luis Valley. I was the District 5 Commander of the Patrol from 1990-1998 assigned to Durango. Anthony was a top hand and one of the most reliable, high integrity and solid Troopers I ever worked with. He was often quiet but once he started talking you learned so many things from him. He was a Trooper's Trooper and the epitome of what an outstanding Trooper should aspire to. I will miss him as I know you will. That thin blue line is a lot thinner with his passing. The world has lost a good man. May God comfort you during this very sad time but may your fond memories of Anthony carry you forward.

In sincere sympathy,

*Colonel Mark Trostel, ret.
Chief - Colorado State Patrol*

“ Why wasn't his first born son who carries his name put in this obituary? Anthony Cordova of Monte Vista and Grandson Brandon Cordova also of Monte Vista.

I don't know who you are or why you think it is your business, but this is not the place for a comment like that. My dad was a wonderful man and only positive memories are needed or wanted here. Thank you to everyone who shared such kind words about my dad. I love reading the positive impact he had. He will be forever loved and missed.
