“ As a young girl , friends with Sandra, I hung out at the Garcia house often . Their home was always comfortable, the yard well kept and Sandra’s parents both so handsome and beautiful. Mr. Garcia worked at the mill as did my father (RIP) who retired after 38 years ! They don’t make men like these two. Both Archie and my dad served in the Korean War which I was not aware of until now. The Garcia Family , Sandra my bestie thru Grade school now have a strong angel to watch and care for them . God Bless you and all the family . I pray for you during this Duffy time 🙏💕 (I hope my plant gets to the church on time) xoxo 😘
