“ *Oh Ash, my sweet friend,
You were a beacon of light in a crazy world. I will cherish the time we were neighbors and our late night wine talks, finding out we were both airline kids, yoga headstands, the night I taught you how to make portobello mushroom pizzas, and after you moved and we lost touch, the day I walked onto the airplane to work and there you were, working the first class galley and I was so elated to finally see you again and get to fly with you. You always made it a point to make people feel special, a true and rare gift. You were so special, and will always be in my heart. Fly high, beautiful girl.*

Ashlee you were truly one of a kind. You will be missed in so many ways. Rest in peace sweet soul! I will miss you
