

Augustin "Augie" Clovis Barela

May 14, 1943 - February 17, 2025

Augustin "Augie" Clovis Barela passed away peacefully in his home surrounded by his wife, children, and grandchildren. Survived by his wife Suesana Barela of 53 years. Children: Chris Barela, Maria Barela, Julian (Amanda) Barela, Augustina (Stephen) Robinson, Sheila (Carlos) Cisneros, Esther (Charlie) Ortiz. Also survived by sister Clara Barela, 16 grandchildren, 26 great grandchildren, 3 great-great grandchildren; and in laws. Preceded in death by his parents: Julian and Lucinda Barela; Son Little Augie and daughter Tammy Lynn. Brothers: Eduardo, Ruben. Sisters: Orlinda, Frances, Maria. And his beloved dog, Libby Ann. Augie was a proud U.S. Navy Veteran who served in Vietnam. He retired from the Department of Social Services of 31 years. He loved planting flowers, watering his grass, and feeding the birds and squirrels. Augie enjoyed doing paint-by-numbers, thinking he was Pablo Picasso. These paintings are cherished by family members he gifted them to. He loved to play his guitar, sing and sit at his computer listening to music especially New Mexico Spanish music. Augie loved watching his favorite shows "COPS", "Under Arrest" (Under the Dress), and the Denver Broncos. He was a big jokester and always made people laugh. He welcomed and offered a meal to anyone who came to his home, even if nothing was cooked. But more importantly, Augie loved spending time with his family and friends. He was a very special person to all who knew him. Augie will be greatly missed and always loved.

“ *My thoughts and prayers go out to the family and friends. I'll miss you Uncle Augie! I'll always remember the nights you and my dad would stay up drinking and "trying" to finish a song on your guitars. I love you and will miss you greatly, you were the kindest person and uncle a man could want to look up to! Love, Frank Martinez and Family*

“ Omg how do I do this it's like losing a dad all over again, I was always treated like their own child. I could be gone for years at a time visit their home and it seemed just like yesterday. Always making sure I stood to eat and when it was time to leave he made sure to say a prayer for me always making me feel so loved. Boy he was funny and I always heard the same story when I would come to visit, when my daughter Felicia was small and I was visiting he took Felicia outside to play he was splashing her with the water (he wasn't supposed to let her get wet lol) and he was laughing so hard when he came in he said I asked Felicia how the water felt hot or cold and she said wet, the water felt wet, he laughed so much, I'll always remember this story and his silly ways, I could actually go on forever with his stories. I got two pictures by the numbers because I liked his pictures so much he said here take two, thank you Augie I'll cherish them always, you will forever be in my heart , you will always be a special person I was lucky to have as a second parent growing up. May you forever Rest in Peace love always Pina

“ *I will never forget the first time we met, the warmth and happiness within me. I recall that immediate sense of comfort and connection – a feeling of knowing you for a lifetime (Dad) The incredibly welcoming embrace of your family, their generous hospitality, and your radiant outgoing personality created an atmosphere of such joy and ease. The legacies that will continue to inspire us, shaping us and reminding us of the person you were. These memories will always remain precious to me! Gone but Never Forgotten! Much Love Diana Sada*

So sorry to hear the passing of an amazing man and an ANGEL that walked this earth.

Augie had such a gentle soul, a laugh, a smile and a joke that he never failed to share.

Rest in paradise Augie, the world will forever be a different place with you.
