“ Ed and Barney worked together remodeling a homes. Ed had such good times and laughs while working together. Ed said it cost him 2 apple pies to get a ladder off Barney. Barney has been Uncle Barney to my kids as long as they can remember. He will be missed.

“ I really enjoyed visiting with Barney. We live on the corner Wren and Chickadee. He was never to busy to stop and say hi. Such a positive attitude about everything. Sandi and I will miss that great personality and friendship.

“ *Barney will be dearly missed by myself and every tenant that had the pleasure of knowing him. He was a dedicated, loyal worker. He would help any time of day or night and with anything that needed to get done. It was a true pleasure to have spent the last 6 years getting to know. We hope to find someone even just half as good. Rest in peace.
