December 22, 1965 - December 28, 2024

Becky (Martinez) Huey, born on December 22, 1965, in Grand Junction, Colorado, to Nick and Mary Martinez, passed away peacefully on December 28, 2024, surrounded by her loved ones. Becky was the third of four children and grew up in East Carbon, Utah, where she graduated from East Carbon High School. Her vibrant personality, boundless energy, and fierce love for her family made her a joy to all who knew her. In 1987, Becky became a mother to her first son, a role she cherished and excelled in. By the early 1990s, she settled in Trinidad, Colorado, where she built a life rooted in love, community, and purpose. In 1995, she welcomed her second son, further completing her family. Becky found her greatest love and partner in life when she met her husband, Dave Huey. Together, they created a beautiful life, owning and operating City Carriage on Plum Street and becoming beloved members of their community. Becky also had a distinguished career with UPS, where she was admired for her humor, dedication, and the joy she brought to her work. Known for her ability to brighten any moment, Becky truly “didn’t know how to have a bad time.” Becky’s greatest pride was her family. She adored her children, their wives, her five grandsons, and her cherished fur-son, Carbon. Her love for her family was unwavering, and she poured her heart into every relationship she nurtured. Becky was preceded in death by her parents, Nick and Mary Martinez; her siblings, Carl and Nancy; and her beloved husband, Dave. She is survived by her children, Tylor Holstein (Elaine) and Josh Huey (Nancy); her grandchildren, Exzavier Holstein, Ethan Segovia, Kaleb Holstein,
