“ My cousin Ben will remain in my thoughts, prayers and above all, my heart. Late in life, I sought his help, and he taught me how to obtain inner peace. It's never too late to learn. Thank you my "primo" for sharing your wisdom. I Love You. Prima Bernie Martinez, your "princess's Mom", she above all, will miss you most.

“ Dear Sis. Emma and family. I am so sorry for your loss. I am at work and was reading the obituaries and noticed that Bro. Ben had passed away. He was always such a great man of God. I remember how much fun I had and how I always felt a warm welcome when I would go to your house to visit and I will never forget how thoughtful he was and how kind he was to me. I also always enjoyed his preaching. He always had a lot of love in his heart for people but especially for his family. I am going to try to make the celebration service because I do get off of work at 7:00 a.m. and will try to get some rest so I am able to go. I will never forget your kindness Bro. Ben and again I am so sorry for your loss.
