Bentleigh was a wonderful young lady ! I was blessed with having her in catechism class. She was preparing to make her first Reconciliation and first Eucharist. She was very excited about learning about Jesus and how much he loved her. It is ironic she gave a report on St. Philomena was the patron saint of babies and youth and was martyred at age 13. Jesus came for Bentleigh at such a young age and I am sure she has received her Eucharist. Rest in peace sweet loving young girl! Mrs. Mestas
