Bernard Normandin

Wife and best friend of 43 years Peggy, daughter Sunny-Sunshine (King), grandson Dominic (Destiny), great-granddaughter Deonnah, sister Clarissa (Bill), Brother Tracy (Janet), nephews, Travis (Jeff), Hunter, Little Darin, Brandon and Devin, niece, Riley, sister-in-law Diane, mother-in-law Jean. Brother-in-law Larry and Darin. You are the best brother, dad, grandpa and friend a person could have. No matter the time of day, or the need-you would be there in an instant. Your smile was the best and just hearing your laugh would have us all laughing. You were always a hard worker, committed to absolutely everything you encountered and enjoyed your job at Beltramos and Sons. We know you are in heaven now and we may not hear, or see you, but we know you will always be by our side. Now turn that hat backwards, get on your Harley and enjoy the ride, no fears or worries to be had. We all love and miss you. Heartfelt thanks to Tony J Beltramo and Sons for taking care of Bernard's funeral. At Bernard's request cremation and no services.
