“ Dearest Bernardo and family to his mom and dad I'm truly sorry about the loss of your son if you're wondering how I am I am Nathan's mom and Jayden 's auntie I had just met Bernardo at Jaden's graduation party and the memories I have of him were seeing him dance and jump and hang out with the guys he was having a blast hey loved his friends and his friends love him and he was an amazing kid to his mom and dad I know you're proud of your son he was an angel and he still is here I was trying to get out of the car to get into the wheelchair because I'm wheelchair bound and he did not complain he did not just sit there he helped he helped out and he was respectful and kind and he had a beautiful smile that could light up a room. The best memory that I had with him even though though it was just one time I had wanted a Pepsi and Nathan gave me some money to get one but the machine didn't work so Jaden and Bernard went ahead and Bernard bought me a Pepsi and brought it to me and I never forget that and I'll thank him and thank you guys for raising a wonderful young man with such such beauty such respect that you taught him and I thank you for teaching my young man everything he was a joy so I know there's something to leave with you and love you guys and may he rest in peace forever
