“ *I was saddened to hear about your Mommy Betty. She was a very Friendly neighbor. The last time her and I talked was at Walgreens in Belmont. We talked for a long time. She talked about her daughters and son and her Cat. She said she loves her home and that she still drives. I hugged her and told her that I pass by her house a lot. I am going to miss your mommy ! Absent from her Body is to be Present with our Lord Jesus !. She is now rejoicing with the Lord and all her family that has left before her. We will see you again 1 day in Heaven Betty !! God Bless you and your family,, and give your family Comfort and Love as they go thru this trial in their lives !! You were a Beautiful Neighbor !!*
