“ Aunt Betty was my favorite Aunt. Every-time she was over at the house she would tell me hey good looking. You chasing all them girls huh and she would always make me feel special. And even when she was in the nursing home and couldn't talk. She seen me and her eyes light up and mumbled hey good looking without saying the words holding my hand. She always had my back in any situation and gave me great advice. She will always be my favorite Aunt. I love you to all my family grieving
