“ I was in the kindergarden with your brother Art, You were in the first grade,  
You lived down the street from me for awhile til you's moved  
I have good memories of you and your family,  
To her family members I'm so sorry about her passing

“ *My memories are happy ones. I remember going to the Colorado Springs Flea Market where I would visit with Beverly and Cordy (bless her heart). I remember going to her house yard sales. I was saddened when I seen her name in the newspaper. May you rest in peace my friend...No more suffering , no more sorrow.. You are now in the presence of your family and friends who have left this world before you !!! May the Lord Jesus give the family of Beverly peace beyond understanding !! Absent from the body is to be present with the LORD !!!*
