“ *I first met Bill when he worked at Verles in Belmont. I came to college at SCSC in 1972 and Bill had cut my hair since. He was more than just a barber. Bill would always talk to you no matter where you were. I enjoyed the time in his chair very much talking about everything from politics to sports. I have missed him very much the past couple of years. My condolences to the entire Ybarra family. Thanks for everything Bill.*

“ I became friends with Bill in the late 1960's when he first started cutting my hair. We maintained a friendship for over 40 years. He often told me that I was not just a customer but a friend. I felt the same way about him. He will be sorely missed. I was shocked, to say the least, to hear of his passing.

My thoughts and prayers are with his wife and family.
