“ Billy Joe Soto aka, c\$m dump of Colorado, , 34, was shot down like the diseased rat that he was on March 18, 2025. He is preceded in death by his useless grandparents that should have never reproduced and numerous felonious subhuman gang bangers. He is survived by his very very unlucky children, Jayden, Anahlyse Xavion; garbage parents, Billy the b\$тч and Joyel the hoe Gallegos; siblings, Jessie takes it up the rear, and De'dubass, Austin (master d\$ck seallower), Sadie (loose-c\$nt Juan), Brandon and Faith; numerous cockroaches and maggots nephews, extended family and friends. Billy loved shooting people, drinking 40's, and getting slammed in the a\$\$\$. He enjoyed murdering, stealing, robbing, and most of all, swallowing gallons and gallons of sperm.

**Rabe** - May 15 at 01:14 AM

TA

*Dear Mr. Leonardo Soto,*

*A sinner cannot receive God's forgiveness without an open and remorseful heart. He was righteously put down in the middle of committing his crimes, without repentance. Billy has been condemned by God to burn in Hell for eternity. Ask a priest about the difference between perfect and imperfect contrition. If you do not accept this, you are not a Christian.*

**Thomas Aquino** - May 15 at 01:37 AM

JM

*Leonardo – I would never try to tell you how you should feel. But I advise you to take a moment to look at this more topically.*

*On the video being released - has it not occurred to you that it may show other young adults the pitfalls of making such decisions and in doing so save someone else's nephew, or son, or daughter, etc.?*

*Although you are his family, saying "he done messed up" is tone deaf considering the content of the video – you may not have meant this, but it comes across as insensitive to the other people that were shot (and their families).*

*I hope you take these sentiments with an open heart and share them with your circle.*

“ My husband I'm going to miss you so much, when you did 5years in prison i waited for you, it was so hard not having you in my arms its not the same but if i csn wait that long i know i can wait a little longer until we reunite. You were a great husband and a loving father u worked hard to make sure we were good and taking care you had more heart then most im gonna miss the way u would put your pizza on top of each other or smell your food or drinks before u would eat or drink it or when u would be understanding and patient with me when i was hard to put up with we hardly argued our love and marriage was beautiful. It doesnt matter on who knew how much we loved eachother or the side of u of being a husband and a loving father. I know what we had and i know how much u loved me and who i was to u.all that matters is we know we had and our bond was like no other love u my love im going to miss u R.I.P BILLY SOTO LOVE ALWAYS UR WIFE SHEREE SOTO
