

## Bonnie Sue Williams

November 1, 1966 - July 1, 2023

Bonnie Sue Williams left our earth to be with her sons and mother on July 1, 2023. She leaves behind her father, Robert “Willy” Williams, husband David Pool, her sons Todd Askew and Zachary Pool. Daughter Cheyenne Pool and granddaughter Ayla Askew. Bonnie had a beautiful heart. She was gorgeous inside and out. She was a tinkerer; she could make or fix anything. Years of working at Harbor Freight gave her all the tools she ever needed. She loved making abstract paintings with wild colors and glitter. She could look at weeds or rocks or sticks and make something beautiful out of them. She was truly one of a kind and a best friend to many. Bonnie was also very well known as a hill climb racer and was in the top three of the nation at one point. Many knew her as an unstoppable force, doing whatever she set her mind to. Her love of collecting hot wheels led to her having well over ten thousand in her Hot Wheels room. Well known for being a hardcore Jesus freak, she would help anyone in need. She loved and was loved by many people. She left behind her husband of 13 years and adopted kids and families. She will be forever in the hearts and on the minds of all who knew her. We love you Bonnie Sue Bear forever.
