

## Carole Jeanette Hargrove

October 25, 1940 - March 7, 2017

Carole Hargrove, 76, passed away March 7th, 2017 at her home in Pueblo, Colorado. She had been waiting for a much-needed kidney transplant. Carole had a passion for life and was a very social person. Her community involvement began decades ago in Las Animas, Colorado as a member of Inter-Sese and the Welcome Wagon. Years later in Pueblo, she would become a member of the Red Hats Society, Newcomers, the Pride City Marching Band Boosters Club and numerous card groups. She was an avid fan of music and theater and attended many events around the region. Carole was an adventure seeker and loved to travel to as many places as possible. Whether swimming with dolphins in Hawaii, motor-boating across Jackson Lake at the Grand Tetons or taking a train across Canada, Carole was always up to trying new things and seeing new places. She and her husband, Jerry, loved to dance and couldn't wait until the next party at the Eagles Club in Pueblo West. She also loved being a part of the Creative Memories scrapbooking club. She played a mean game of Mahjong and enjoyed a stiff Gin and Tonic. Carole loved her family very much, including her extended family. She was very proud of her grandchildren, Sarah (Sean), Sabrina (Josh), Jerry and Jesse (Miranda) and her great grandchildren, Serenity, Xander and Cadence – she was looking forward to meeting her newest great-grandson, Aiden. She was also known as a second mother to the many friends of her kids, Greg and Robi. She is predeceased by her father, Henry Green, mother, Aloha Nelson, and brother, Kenneth Green. She is survived by

her loving husband of 57 years, Jerry, her son Greg and daughter, Robin Hargrove (Duane); her brother Ron Green and sister, Anna Green-Lounello; her nieces Tara (Talbert), Wendy (Hargrove), Wanda (Hargrove) and nephews, Jason (Lounello) and Ryan (Lounello). She had an infectious smile and always saw the best in people. She touched many lives and will forever be in the hearts of her family and friends. In lieu of flowers the family requests a donation be made in her name to the Donor Alliance and/or PAWS Animal Welfare & Protection Society.

“ I had the pleasure of living across the street from Jerry and Carole for 5 years in the past. What a wonderful couple! I was often sick, and Carole would come over when the ambulance came to tell me to be sure to let them know anything they could do to help once I got back from the hospital. If she ever didn't have a smile on her face, I didn't see that moment. I was so sorry when I heard that she needed to find a donor kidney to survive. Unfortunately, it was not to be, and we have lost a special lady. My condolences to you, Jerry, and your family. Anyone who has ever known her will never forget her. Teri Darcy

“ I am very sorry for your loss. Oh my, what a beautiful and spirited woman has departed our company! I will always appreciate and remember her visits to the high country. Her laugh and smiles are locked into my memory as I watched her little dog Scooter try to mate with my 105# German Shepherd. Gosh that was really hilarious! You will be remembered and missed my friend. You are for sure written in the Book of Life. Love you all.....Gary - Buena Vista

“ I actually met Carole 29 years ago when she measured my husband and family for their tuxes for our wedding. I had her business card in my wedding album!

I met Carole again about 16 years ago at a Creative Memories party. I was the Consultant and she kept asking me if I was going to quit because all of her consultants had quit. I thought, oh my, this woman will never be my customer... little I know she would be more than my customer, she would be one of my closest friends. I had the pleasure of taking photos at her and Jerry's 50th anniversary surprise party and helped her with her digital scrapbook. We spent a lot of time scrapbooking together and I would pop in at the house after work to visit, complain and just spend time together. She would also stop by to see me at work when she was at the hospital and it was always such a wonderful surprise. Carole acquired the nickname "Hagatha" among our group of friends and she loved being known as such! I have so many wonderful memories of our times together. I am so thankful that God blessed me with Carole's love and friendship. I will miss her so much.

May God bless you and may your memories of Carole help you through the days ahead.

Thinking of you, Jerry, and hoping each day gets a little easier. Your house will seem so empty, and scooter will look for her. Carole was fun, spirited and unforgettable to anyone who met her. She will be missed, as she touched so many peoples lives with her enthusiasm and love of life!!

*Jerry, I am so very sorry about your loss. I'm praying for you & your family for peace & comfort. I will never forget Carole. Although she was one of my newer friends, I grew to love her & her wonderful spirit very quickly. We had so very much fun last month when she came with others to visit me while I was in Colorado. I'm so very thankful for that times & those sweet memories. Karran Martin, Texas*

*It's very sad to hear of Carol's passing. She was a very nice lady. Both her smile and outgoing personality were very infectious. The staff at our little restaurant are going to miss that crazy red head.*
