Carol and I started our friendship in middle school...we didn't live far from each other out in the 'boonies'...one of my best memories of Carol is the summer she would walk over to my house and we would walk to Swink, about 3 miles, just to walk by the house of this guy I had a major crush on!!!...so silly now, but so much fun then...and I'll always remember the time her mom pierced my ears; the old-fashioned way; with ice and a needle!!!...Love you Carol and I'm glad we were able to re-connect on Facebook...may you rest in peace..

My deepest condolences to her beautiful family; you did good, Carol!!!!
